Currently working at Vaults Pay | Seeking Web Development Internship

During my tenure at Vaults Pay, I have honed my skills in building user-friendly interfaces and developing innovative solutions that enhance user experiences. I am committed to continuous learning and staying updated with the latest industry trends to deliver high-quality, modern web applications.

EXPERIENCE

- *Currently Working in VaultsPay Islamabad as a Web Developer & Web Designer Intern.*
 - As a web developer and web designer intern at Vaults Pay, I am gaining hands-on experience and contributing to various projects in a dynamic and fast-paced environment. My key responsibilities include:
 - **Front-End Development:** Developed responsive and user-friendly web pages using HTML, CSS, JavaScript, and React. Ensured compatibility across various browsers and devices.
 - **UI/UX Design:** Collaborated with the design team to create intuitive and visually appealing interfaces. Implemented design mockups and wireframes into functional web pages.
 - **Code Optimization:** Wrote clean, efficient, and maintainable code. Conducted code reviews and debugged issues to enhance website performance and functionality.

- **Collaborative Projects:** Worked closely with cross-functional teams, including backend developers, designers, and product managers, to deliver high-quality web solutions.
- **Learning and Development:** Actively participated in team meetings, code reviews, and training sessions to continuously improve skills and stay updated with the latest industry trends.

This internship is providing me with valuable experience in both web development and design, enhancing my technical skills and preparing me for a successful career in the tech industry.
